RESTORE: now for tomorrow trusting God and each other

Sunday Worship – As we continue to meet in the Sanctuary, we will observe all recommended health and safety protocols such as masks and social distancing. While it is difficult, please refrain from physical contact while at church to maintain the good health of you and your neighbors. In the event we have too many people in attendance to adhere to social distancing protocols, we will add seating in the Narthex and balcony.

Pastor's Report - Join Pastor in the FLC on February 21 after the 9:00 am service for a Pastor's Report and discussion as we come out from COVID lockdown and ramp up activity. We will observe social distancing and masking.

Wednesday Worship - Please join us on our Facebook page at 6:30 pm on Wednesday evenings. Join us for a look into the human heart and the heart of God to understand the power of His love. Holy Week worship times will be available the first week of March.

Youth Group News - Thank you for all the prayers as we went to Silver Birch Ranch over the super bowl weekend. The weekend was full of fun, meeting new people from all over Wisconsin and Illinois, and deepening our faith during our worship times. We were lucky enough with the unusual year to have 13 attend.

Weekly meeting times, days, and location continue to change with the cold weather still upon us. I can't wait for our next outside movie night because that means it is finally warm! We have been very lucky as a youth group and have not missed more than a couple of weeks since covid hit. If I don't have your contact information yet please contact me (Steve Drolema) at 630-738-4532 or drolema@sbcglobal.net to get the last-minute info on where and when we will be meeting each weekend.

Our next big youth group outing will be Big Creek Missions in Bear Creek, Kentucky from July 17-24, 2021. Cost will be \$250 per person. We are inviting anyone that is interested in coming regardless of age . We already have a few young adults interested in joining us. If you know anyone that may be interested in going please contact me for more information.

Be on the lookout for the flamingo flock to come out of retirement this year. We are hoping to raise at least \$100 per person to help keep our cost at \$250 for our mission trip. If anyone has suggestions for fundraising during our covid times please feel free to contact me as well.

Thank you all for your continued support and prayers.
